

# REACH

## Training for Health Careers

REACH: Re-Employment Alliance  
for Careers in Health

The REACH Project provides funding to healthcare providers and related employers to support the hiring and training of **nurses, medical coders and IT professionals.**

### Benefits

- ◆ Employers receive wage reimbursements up to \$20,000
- ◆ Tuition and exam funds for employees pursuing professional certifications
- ◆ Talent referrals and recruitment support
- ◆ Employer makes all hiring decisions
