

NCCCC Newsletter April 2019

A Word from the Director

I hope our newsletter finds you all well! We are very excited to have a full line up of events coming this spring.

The return of our Breakfast series, all being held at Grassmere Country Club, will be kicking off with an Economic Development Breakfast featuring Patrick McMahon, CEO of CT Main Street which will be a major part of the proposed TIF project for the rehab of the Thompsonville area of Enfield. We will also have a Social Media workshop provided by Robyn Miller of MorningBird Media in May, followed by a legislative update breakfast in June!

We have also partnered with the Enfield Public School system on a first-time event the Enfield Community Springfest, which is a great way to bring the businesses of our region together to get out in front of the Community. This will take place (weather permitting) on April 18th at Enfield High School and will be open to the public!

Our 49th Annual Golf Tournament will be returning to Suffield Country Club on Monday June 24th. Registration is NOW OPEN!

We have a lot of new ideas on the horizon and some great events in the works for the very near future. We hope to see you all soon and continue to be making an impact on business in our community!

We look forward to seeing you all at our Breakfasts, Networking Lunch's, and Business After Hours in the coming months. If your business is interested in hosting an event or presenting a workshop for the Business Development Breakfast, please contact the office!

Sincerely,
Mike Vezzola
Executive Director NCCCC
